Understanding Max Weber's Charismatic Leadership | Social
Jan 29, 2013 · Social movements determine whether the future of governance should rely on democracy or on a Charismatic leader. With the Arab Spring, charismatic leadership has declined and publics are becoming more aware of the necessity for democracy and the rule of law.

Social justice - Wikipedia
Social justice is justice in terms of the distribution of wealth, opportunities, and privileges within a society. In Western as well as in older Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal roles and receive what was their due from society. In the current movements for social justice, the emphasis has been

Cults Today: A New Social-Psychological Perspective | Cult
May 22, 2021 · For me, the word cult denotes groups with a certain kind of power structure and internal relations of power based on charismatic authority. I use the following definition: A cult can be either a sharply bounded social group or a diffusely bounded social movement held together through a shared commitment to a charismatic leader.

14.1 Power and Authority - University of Minnesota
Rational-Legal Authority. If traditional authority derives from custom and tradition, rational-legal authority derives from law and is based on a belief in the legitimacy of a society’s laws and rules and in the right of leaders to act under these rules to make decisions and set policy. This form of authority is a hallmark of modern democracies, where power is given to people elected by
