where America’s pornography obsession rises to the level of a competing sexual interest, when is porn a problem, and when does it count as infidelity? And since it is not the act of infidelity alone that destroys a couple, how does any couple prevent growing apart? Through concrete rules addressing these and other vital questions, Dr. Rosenberg guides couples on how to prevent cheating, stop it from progressing, and repair the damage caused by an affair.

The Brother - Sam Roberts 2014-09-16 “The Brother now discloses new information revealed since the original publication in 2003—including an admission by his sons that Julius Rosenberg was indeed a Soviet spy and a confession to the author by the Rosenbergs’ co-defendant...” Fifty years after their execution in 1953 for conspiring to steal atomic secrets, Julius and Ethel Rosenberg remain the subjects of great emotional debate and acrimony. The man whose testimony almost single-handedly convicted them was Ethel Rosenberg’s own brother, David Greenglass, who recently died. Though the Rosenbergs were executed, Greenglass served a mere ten years in prison, after which, with a new name, he disappeared. But journalist Sam Roberts found Greenglass, and then managed to convince him to talk about everything that had happened—Amazon.com.
