Continuing the Reformation: Re-Visioning Baptism in the Episcopal Church

Signed, Sealed, Delivered - Sharon Ely Pearson 2014-04-01

An all-in-one volume sharing the history, practice, and viewpoints of Confirmation in the Episcopal Church and the first book on the subject for at least 15 years. It addresses: questions about the nature of confirmation, giving individuals and groups many options and indications to say that the rite of confirmation in the Episcopal Church today is a sacrament in search of a meaning. How before confirmation is an essential rite of passage for adult leadership in the governance of the church. Issues on the idea that confirmation has a place in the life of the church, understanding the importance that Baptism now holds in the 1979 Book of Common Prayer's ecclesiology. Following a history of how the rite of confirmation came about and its implications for youth and adults in the church today, voices in the Episcopal Church (bishops, liturgical scholars, confirmation leaders, and youth themselves) offer fresh viewpoints here in a conversational format to engage the reader.
