Do the Crime, Do the Time: Juvenile Criminals and Adult Justice in the American Court System

...persistent youth offenders: by transferring juvenile offenders to adult courts.

...this model resolves the empirical anomalies facing conventional interpretations of the disadvantage/crime relationship. This book offers compelling evidence which will stimulate debate in this area of criminology and will also interest theoretical explanations of juvenile delinquency. Current evidence-based practice, prevention strategies and programs, and juvenile justice treatment and policy alternatives are thoroughly explored.

...adolescents.

...the development of crime policy in the United States for many generations has been hampered by a drastic shortage of knowledge and data, an excess of partisanship and instinctual responses, and a lack of authoritative, serious, and coherent thinking about the meaning and effects of crime problems, as well as how best to address them.

...an important resource for policy makers, practitioners, scholars, and others who are interested in delinquency and other forms of crime.

...The Criminology of Criminal Law considers the relation between criminal law and theories of crime, criminality and justice. This book discusses a wide range of topics, including:

...be referred to as the "first report of its kind," and it has been praised for providing a comprehensive and authoritative overview of the juvenile justice system.
